Parties are supposed to be fun. However, throwing a party can be downright stressful.

Beginning today, there's a solution to the hassle of running all over town trying to find just the right thing for your party. Party Box Direct, today announces the launch of its new web site www.PartyBoxDirect.com.

The new site offers themed packages and unique party designs that can be customized for all special occasions. Each Party Box Direct package includes plates, napkins, cutlery, tablecloths, party decor, balloons, invitations and favors when appropriate.

Whether it's an elegant bridal shower, a new baby, 1st birthday, anniversary, retirement or even the big game, Party Box Direct has everything you need to throw the perfect party, shipped directly to your door.

Party Box Direct is the creation of Brooke Emmerick, a professional party and event planner. "From my experience in the corporate world, I know how frustrating and difficult it is to throw a great party or hold an event. My main goal is to make party planning easy and stress free for our clientele. Our company was started with the idea that throwing a party doesn't mean you have to spend hours planning and driving all over town wasting gas, just to find the perfect napkins. We've taken the hassle out of planning a party. All you have to do is click on Party Box Direct, and let the mouse do the walking for you," Emmerick said.

Party Box Direct offers unique customized party packages in many different categories including, birthday's for adults, kids and tweens, and first birthdays, baby showers, bridal showers, special occasions, including retirements, or anniversaries and or celebrating the start of the new football season, holidays, including 4th of July, Halloween, Christmas and other seasonal holidays, and a category for Everyday Fun parties, including a Luau theme, racing theme, movie night theme and much more.

Packages are available in three different guest counts of 8, 16 and 24; which makes it easy to expand sizes to fit your needs, with a click of the mouse.

"The main focus of Party Box Direct is to provide a quality custom product and deliver it to our clientele in a quick and painless process. Our priority is saving the customer time and money, while making the purchasing experience easy and enjoyable," Emmerick added.
